

Build the Peace Pledge

I believe that we must and we can Build the Peace Every Day. Every Person, in Every Family, School, Community, City and Country.

I believe that my own thoughts, words and actions make a difference. Therefore from this day forward I commit myself to the United Nations Culture of Peace Pledge:

Respect all life;

Reject violence;

Share with others;

Listen to understand;

Preserve the planet and Rediscover Solidarity.

We must and we can build a "beloved community."

Shared Values to Transform my Community

I pledge to treat people with care and respect.

I pledge to be trustworthy and act responsibly.

I believe that the success of my community is directly connected to the success of all of its residents.

I pledge to be open to other people's ideas and to share my own ideas on how to make my community better.
